Clifton School Home-School Partnership

Agreement

Dear Parents, Carers and Children

At Clifton Primary School, we believe in a strong partnership between the home and the school to ensure that all members of the school community feel safe and welcome, and make the most of their educational opportunities. This complements our Social and Emotional Aspects of Learning (SEAL) approach which forms the school's ethos and promotes whole school well-being.

Please discuss this Home-School agreement with your child before signing and returning it to school. I will then sign the returned copy on behalf of the school and it will be kept with your child's records. It is intended that this agreement will remain in effect for the whole time your child is with us.

Should you wish to look at this again in the future you can get a copy from the school website or request one from the school office.

Thank you in anticipation of your support for this agreement.

Rachel Legge
