

Hello,

Here is the home learning for today.

Morning work - 'Vital Titles' (attached)

Maths - Times tables practice (Purple Mash)

- revision of perimeter from last term. There are three short lessons on BBC bitesize.

<https://www.bbc.co.uk/bitesize/articles/z7cn6g8> (This introduces perimeter for those who need a recap)

<https://www.bbc.co.uk/bitesize/articles/zmrpxbk> (This one shows you how to find perimeter by counting the edges of the squares)

<https://www.bbc.co.uk/bitesize/articles/z9ymjsg> (This one is more challenging and shows you how to work out perimeter where there

are missing lengths)

You don't need to do them all, just pick the one you think will be right for you.

English - Our English is Report writing and we will be researching and writing a report about a European country. Today can you please research which country you would like to write about. You could pick a country you have visited and enjoyed, it could be a country you have a connection with, or it could be a country you know nothing about but you would like to find out about it. (I have attached a sheet you might want to use) IT WOULD BE BETTER TO DO THIS AFTER THE GEOGRAPHY LESSON, AS YOU WILL LEARN ABOUT SOME OF THE COUNTRIES IN THAT LESSON.

Geography - 'What are the Countries of Europe' - This is an Oak Academy lesson, the link is below.

<https://classroom.thenational.academy/lessons/what-are-the-countries-of-europe-69k6cr>

P.E - Listen to a story and do Yoga at the same time. This is a super Yoga Club activity from 'Cosmic Kids Yoga'
