

Hello,

Here is today's home learning. Please undertake the activities in the order which fits your day best. The following shorter tasks can be slotted between the longer tasks to break up the day

Shorter Tasks -

Morning work writing - 'Past, Present, Future' (attached - you can write this straight into your home learning book if you wish, rather than printing it out))

Handwriting (10-15 minutes) There are sheets available in the school entrance if the picture I sent yesterday didn't print out very well.

Times Tables - Hit the Button <https://www.topmarks.co.uk/maths-games/hit-the-button>

Reading - Chapter 4 of 'The Litter Wish' and the quiz (Purple Mash)

Spellings Practise - please see separate email sent

Active time - 15 Min Kids Dance

Workout <https://www.youtube.com/watch?v=D80LZz2WkZs>

Longer Tasks

English - Lesson 2 from the Oak Academy 'Reports' unit is about suffixes and is a spelling focus

Maths - I have added some Purple Mash activities based on interpreting graphs.

Computing - We are going to start on a coding unit. This is delivered through the Purple Mash 2Code section. Mrs Ascroft told me that she had set the first 2 activities last lockdown. I will set these 2 activities again for revision and an additional 2. These can be completed through the week, as I won't set a date to complete them by.

Keep thinking about which European country you are going to choose for your project. Once you know, please let me know and I can make a list over the weekend.

Well done everyone on the work you have been sending me so far. I am really impressed by the amount I am getting and also the quality of your work. I can tell you are all working very hard. I will speak to you next week and don't forget that Mrs Johnson is setting your work for you on Monday.

I am really proud of you all

Have a good day and a lovely weekend,

From Miss Davies
