

Home Learning Plan Year4 – Monday 25/01.

Hello Class 6,

I hope you had a really lovely weekend and managed to enjoy the sunshine!

Here is today's home learning. Once again, your work is set in your To Dos. Please complete the activities in an order that suits you best.

SHORTER TASKS –

Morning work Maths- Revision of Multiplication and Division facts

Draw the following triangle on some paper:

36

9

4

Now, write four number sentences using all three numbers: two multiplications and two divisions. I will help with this one! The four possible number sentences you should be able to find from this triangle are- $9 \times 4 = 36$, $4 \times 9 = 36$, $36 \div 9 = 4$ and $36 \div 4 = 9$.

Repeat for yourself now, for these other triangles as follows- (48, 6 and 8) , (48, 12 and 4), (42, 6 and 7).

Handwriting (10-15 minutes)

Times Tables - Hit the Button <https://www.topmarks.co.uk/maths-games/hit-the-button> .

Recap your divisions- let me know your scores if you get chance!

Reading – 15/20 minutes of independent reading.

Spellings Practise - Work on the spellings you have chosen to learn.

LONGER TASKS

English –See Oak Academy Plan.

Maths – Today's lesson is about using the partitioning method to halve 2 and 3 digit numbers. We used this method to double numbers so you will be familiar with this. With odd or larger numbers there is sometimes another partitioning step that makes halving easier. (for example- splitting the tens number, 50 into 40 and 10 so that it is easier to halve.) You will see this on the video.

<https://www.youtube.com/watch?v=MrFeSE0RWxQ>

I'd like you to complete the Sweet Sharing Maths worksheet attached in your To Dos. Either print the sheet out or just copy and write them out as shown in the example. You may need a spare piece of paper to help you with your workings.

PE- This is a fun fitness video - <https://www.youtube.com/watch?v=CbsaJW94V6c>

Make sure you have some water handy!

PSHE-

We are going to be looking at change over the next 2 sessions and I want to begin with the changes we are dealing with at this moment!

Life has changed a lot recently and it's easy to think about everything we miss but we also need to remember that there may be some positives in the changes too. Start by watching this lovely story- "When we Can't Hug."

<https://www.youtube.com/watch?v=2PnnFrPaRgY>

Now try to think of lots of ways your life has been changed at the moment. Some positive and some negative.

Complete the PSHE-Change sheet in your To Dos.

Have a lovely day!

From Mrs Johnson
