

Clifton Primary School

NEWSLETTER 4: 1st October 2021

Message from Mrs Legge

It's been an eventful week in school with some chaos along the way! The children have coped brilliantly with changes in routines due to windows being replaced and different exits for school being used for various reasons. They have shown great resilience.

We are continuing to focus on being positive and the children have been supporting each other in their work and being positive about their own learning. Mrs Kirkham's Positivity Board is filling up nicely with the children's names.

The Twitter accounts have been active too with lots of photos of the children taking part in various activities. Don't forget to follow us @st_clifton

Quote of the Week

Online Safety

We have attached several posters regarding ways of helping to keep children safe on SMART phones and on certain apps. Please have a look through and see if there is anything you can put into practice.

House Captains

The Year 6 children who wanted to be House Captains and represent their teams in school have worked hard on writing manifestos that they have presented to their fellow team members. The votes have taken place and we will reveal the winners next week.

Dinner Changes

Next week is Week 1 of the menu. Due to ongoing shortages there are some slight changes to the published menu. These are as follows:

Wednesday: Instead of beef there will be pork or turkey.

Thursday: Meatball Sub is being replaced with cheese sandwich picnic

We may have to change the whole menu the week after. I will keep you updated.

Dates for the Diary

Monday 18th October—Class 8A to Brockholes

Tuesday 19th October—Class 8J to Brockholes

Friday 12th November—Class 7 to Chill Factore

Water Bottles

We have had lots of problems with water bottles this week. There have been several dropped and broken causing spillages in classrooms. Please could we ask that the children bring in water as this is the healthiest option for them and also when split, it is far easier to clean up. In addition, some children seem to react adversely when they have drunk lots of juice. Thank you.

Morrisons GROW tokens

If you are a Morrisons customer, please could we ask that you donate your GROW TOKENS to us so that we can swap them for gardening equipment for the children to use. It is very simple and can all be done through the MyMorrisons app.

You are awarded a token for every £10 spent and then on the app you can easily choose the school you would like to donate to. You only have until 24th November to donate!

Thank you!

Be on Time!

Our gates close at 8.55am and all the children should be in school for the register by this time!

Please make sure your child has the best start to the day!

Primary School Admissions

Applications for school places for September 2022 open on 1 September 2021.

[Apply online](#)

The deadline to apply for a primary school place for September 2022 is 15 January 2022.

Our Open Afternoon is on Thursday 14th October 2021 at 1.30pm.

Secondary School Applications

For parents/carers of pupils in Year 6, you only have until the end of October to apply for a high school place.

Please follow this link: [Apply online](#)

The deadline to apply is 31 October 2021.
