## NEWSLETTER 3: 24th September 2021

### Message from Mrs Legge

Our new Reception children have settled in really well and are busy learning new things every day. It was so lovely to see so many parents and relatives coming in on Friday to share the children's new experiences.

The weather is changing and Autumn has started. Please make sure your child brings a coat to school as we are trying to get the children outside for fresh air even if the sun is not shining.

Just a short Newsletter today to let you know what we have been up to in school.

### Quote of the Week

### Year 3 Helping the Community

The children in Class 5 went on an adventure with the Fylde Ranger Service yesterday. They had a brilliant time planting wild flowers and helping to attract insects and butterflies to the area. They were all exhausted when they returned to school having worked hard!

### Year 6 Bikeability

The Year 6 children have finished their Bikeability programme. They all impressed the instructors with their concentration and attentiveness. The children were a pleasure to take out and about and they made excellent progress.

### Dates for the Diary

Monday 18th October—Class 8A to Brockholes

Tuesday 19th October—Class 8J to Brockholes

Friday 12th November—Class 7 to Chill Factory

### Punctuality

There are several children arriving late each day. Gates close at 8.55am and your child should be in school by then so that they don't miss any of their learning.
